The Office action mailed on 8-18-4 improperly indicated that the time period for reply to the attached requirement coincided with the time period for reply to the Office action. This Office action corrects the time period for reply to a shortened statutory period of 2 months.

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

In response to this requirement, please indicate if the application and U.S. Patent Application Publication 2004/0007771 were, at the time the invention was made, owned by, or subject to an obligation of assignment to, the same person.

Applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
